

# THE WOODLAND - 2004 Total sq. ft.

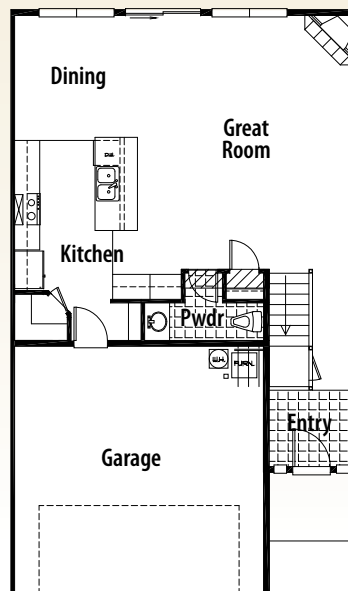

THE WOODLAND features excellence in design and is distinguished by its exceptional master suite. The double doors lead to the master suite which includes a walk-in closet and dual vanities (optional jetted tub & separate shower). The second floor has a large family/game room and laundry room. The main floor showcases a generous great room, kitchen and dining areas for entertaining family & friends. The entry from the garage features a craftsman-style utility bench for coats and boots.
